

EURO-ATLANTIC ASSOCIATION

is pleased to invite members and guests on **24 September (Wednesday) 2014 at 14.00 – 17.00** to SEA Headquarters (Lubomirski Palace) Plac Żelaznej Bramy 10 in Warsaw

for the following conference:

Poland's Defence Capabilities

The panel will include:

- ▶ BrigGen (res) Dr Bogusław Bębenek, Researcher/teacher at National Defence University
- ▶ Col Dr Jarosław Wiśniewski, Manager of reconnaissance and electronic warfare at National Defence University
- ▶ Col Dr Engr Adam Polak, Director of the Institute of Management and Command at National Defence University
- ▶ Lt Col Dr Przemysław Paździorek, Assistant Professor, Management and Command Faculty at National Defence University

Col Prof Dr Engr Jarosław Wołeszo, Dean of the Management and Command Faculty at National Defence University will moderate the panel.

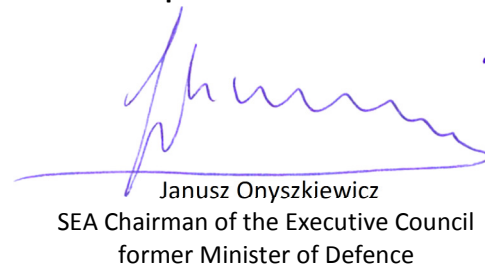

The discussion will be attended by politicians, ministers, generals and members of SEA.

Important questions that will be addressed include:

- ▶ Does Poland have sufficient defence capabilities?
- ▶ Can Poland defend its territory alone?
- ▶ To what extent can Poland rely on NATO and the EU?
- ▶ How and when should Poland's Defence Directive be completed?
- ▶ What should Poland's defence tactics be?
- ▶ Which acts of aggression should Poland expect?
- ▶ How do contemporary threats affect the conduct of defence operations?

Marek Goliszewski
SEA President

Janusz Onyszkiewicz
SEA Chairman of the Executive Council
former Minister of Defence
